

Take the pledge, make shit happen.

I, _____, hereby swear to abandon all fear; to question everything; to trust in myself; to honor those before me as I excel, and to support those who follow as they ascend. I swear that I will never accept another's standard for success, as I set mine one measure higher. When I am finished, no one will ever fucking look at _____ the same way again.

GFDA aims to serve the needs of the greater design community for the common good.
